Fall 2022

Dear community partners and friends,

We envision a world where all young people have access to creative opportunities and resources that empower them to imagine and create a future not limited by adverse experiences. And yet, we recognize that the ability to imagine a future at all is something many children in our community do not have the luxury of.

Paint Love provides extraordinary arts programming for youth facing some of life's toughest circumstances. We partner professional artists with local schools and nonprofits and provide all the planning and supplies to create large scale projects that empower youth and strengthen communities in big ways. Since 2014, we have served over 17,000 kids and helped engage their imagination with art and social-emotional skill building to see a future for themselves, and creative thinking to navigate unknowable circumstances to reach goals and change broken systems. Demand for our programs is growing in light of all that is going on in the world today, and with your help, we hope to grow our capacity to reach 25,000 young people by 2025.

To support these goals, Paint Love is hosting a unique fundraiser on October 22, 2022 and kicking off a multi-year giving campaign called "Frame the Future" and we are excited to invite you to partner with us.

The event is called the Paint Love Artist Challenge, and it brings six incredible Atlanta artists together for a day of live painting. And new this year, the event also includes a family friendly art-making festival to get your own creative imagination engaged. We anticipate over 300 attendees!

**Would you or your organization help support this event with a one-time donation or consider a recurring multi-year gift to support our Frame the Future campaign?**

All proceeds are tax deductible and will help bring more art to more kids. Included is our 501(c)(3) IRS designation letter and our sponsorship package. Also, please feel free to reach out to your Paint Love connection or me directly with any questions. With your help, Paint Love will raise half a million dollars and reach 25,000 young people by 2025!

With gratitude,
